Sponsors Announced for 2012 Alternative Clean Transportation Expo

2012 ACT Expo, North America's largest alternative fuels and clean vehicle technologies show, to be sponsored by a broad spectrum of alternative fuel advocates

SANTA MONICA, Calif. – Feb. 21, 2012 – The organizers of the Alternative Clean Transportation (ACT) Expo today announced the sponsors for the [2012 ACT Expo](#), May 15-17 at the Long Beach Convention Center in Long Beach, Calif. ACT Expo is the biggest convergence of stakeholders representing clean vehicle technologies in North America and attracts thousands of decision-makers and purchasers of alternative fuel vehicles including fleet managers, procurement specialists, maintenance directors, engineers and many others.

The 2012 ACT Expo will provide attendees with the latest information on all alternative fuel types and clean vehicle technologies across a broad range of applications. Platinum sponsors for the 2012 ACT Expo include leading OEM truck companies [Freightliner Trucks](#), [Kenworth Truck Company](#), and [Peterbilt Motors Company](#); compressed natural gas fuel supplier [Trillium USA](#); the [South Coast Air Quality Management District](#), a leader in the nation's efforts to reduce air pollution; and [Fleet Owner magazine](#), one of the premier publications for executives and managers of commercial-trucking fleets.

Additional participating sponsors for the 2012 ACT Expo include:

- [Southern California Gas Company](#)
- [San Diego Gas and Electric](#)
- [American Honda Motor Company](#)
- [Ford Motor Company](#)
- [Hino Trucks](#)
- [Commercial Carrier Journal](#)
- [BYD Trucks](#)
- [Chrysler Fleet](#)
- [Electric Vehicles International](#)

- [IMPCO Automotive](#)
- [Isuzu Trucks](#)
- [Landi Renzo USA](#)
- [Toyota Motor Sales](#)
- [Mack Trucks](#)
- [Westport Innovations](#)
- [Agility Fuel Systems](#)
- [Eaton Vehicle Group](#)
- [RSC Bio Solutions](#)

In addition to these sponsors, more than 150 exhibitors will participate in the expo hall representing vehicle, equipment and engine manufacturers, technology providers, fuel suppliers, infrastructure developers and more. The three-day event will also include keynote speakers, plenary and breakout sessions, networking events, technical tours and a ride and drive event. The 2012 ACT Expo is presented in conjunction with event partners the U.S. Department of Energy and the U.S. Environmental Protection Agency.
